VILLA MOTTURA

Puglia | Italy

THE STORY

Established in 1927 by Pasquale Mottura, Villa Mottura is a distinguished family-owned winery located in Tuglie, in the heart of Salento, Puglia. Over four generations, the Mottura family has upheld a legacy of producing high-quality wines that reflect the rich viticultural heritage of the region. The estate focuses on cultivating indigenous grape varieties such as Primitivo and Negroamaro, which are emblematic of Puglia's winemaking tradition.

Traditional winemaking techniques are harmoniously blended with modern innovations. Ageing takes place in oak barriques and tonneaux, allowing the wines to develop complexity and depth while preserving the authentic characteristics of the local terroir.

Villa Mottura's portfolio includes notable wines such as the 'Stilio' Primitivo di Manduria DOC, known for its rich, full-bodied profile, and the 'Villa Mottura' Negroamaro Salento IGT, which offers a harmonious balance of ripe fruit and spice.

The estate delivers wines that are both expressive of their origin and consistent in quality.
